Q90- Nowadays there's a lot of talk about international organizations. People sometimes say that international organizations should prioritize improving people's lives, even if this may imply that decisions are not made democratically. What do you think should international organizations prioritize, being effective or being democratic?. If your views are somewhat mixed, choose the appropriate number in between.

Q118- We want to know about your experience with local officials and service providers, like police officers, lawyers, doctors, teachers and civil servants in your community. How often do you think ordinary people like yourself or people from your neighbourhood have to pay a bribe, give a gift or do a favor to these people in order to get the services you need?. Does it happen never, rarely, frequently or always?
